

F-Clamps

A-Style Clamps

With wooden handles, these light-duty clamps are convenient for clamping wood, plastic and aluminum work pieces.

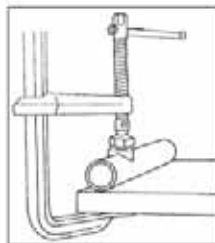

B-Style Clamps

With the same advantages as A-Style clamps, these clamps are equipped with a T-spindle handle.

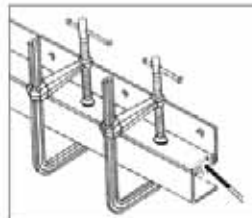

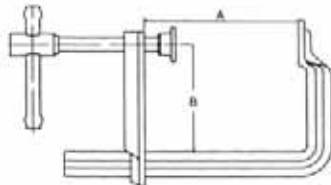

C-Style Clamps

Equipped with a quick release lever which can tighten or loosen the work piece easily, prevent overloading and resist vibration.

D-Style Clamps

Non-slip clamping surfaces to prevent work piece slippage while being held.

- Material: ANSI 1045 medium carbon steel, chrome plated
- Hardness: HRC 36°±2

Style	A Span (Inch)	B Span (Inch)	Rail Thickness (Inch)	Weight (lbs)	Code
A	10	4.75	0.86 X 0.41	2.7	412300
A	12	5.51	0.98 X 0.47	4.1	412301
A	16	6.89	1.06 X 0.51	5.6	412302
B	10	4.75	0.86 x 0.41	2.9	412305
B	12	5.50	0.98 x 0.47	4.4	412306
B	16	6.89	1.06 x 0.51	5.8	412307
C	12	5.50	0.98 x 0.47	5.4	412310
D	12	4.00	0.98 x 0.47	3.8	412320
