

## Tool Holder Bushings

### Stainless Steel

Type C

Type J

- For CNC machines
- I/D tolerance of +0.0013 insures that your tool shank will fit easily
- Type C bushings have one long slot and adapts boring bars, reamers, drills, and all shank type tools
- Type J bushings have two holes for set screw access to the shank of your tool

### Type C

B Diameter (Inch)	A Diameter (Inch)	C Length (Inch)	D Diameter (Inch)	Slot H x F (Inch)	G (Inch)	E (Inch)	Code
1	1/4	2-1/4	1-1/8	5/8 x 2-3/8	1/2	1/4	310532
