

Welding Gages

Electronic Welding Seam Gage

- Measures flat welding seams and welding seams in corners
- Resolution: 0.0005"/0.01mm
- Stainless steel
- With 60°, 70°, 80°, and 90° angle gages
- Battery SR44
- Supplied in fitted storage case

Range (Inch/mm)	Code
0-0.8/0-20	283583

Welding Seam Gage

- Graduation: 1/128"
- Stainless steel with satin chrome plated reading surface
- With 60°, 70°, 80°, and 90° angle gages
- Supplied in storage pouch

Range (Inch)	Code
0-0.8	283581

Blade Type Welding Seam Gage

- Alloy steel
- Supplied in storage pouch

Range (Inch)	Measurement Size (Inch)	No. of Blades	Code
1/8-1/2	1/8, 5/32, 3/16, 7/32, 1/4, 9/32, 5/16, 11/32, 3/8, 13/32, 7/16, 1/2	12	283579

Multi-Purpose Welding Gage

- Graduation: 1/128"
- Hardened stainless steel with satin chrome plated reading surface
- Supplied in storage pouch

Code
283584
