

## Taper Socket Cleaning Tools

Morse Taper

ISA, CAT or BT Taper

Spindle chatter or vibration?

*It could be lint, dirt, or oil trapped inside the spindle cavity.*

*Only SPIN-L-MATE® gives you solid, concentric, repeatable tool-to-spindle connections.*

*No amount of time, solvent, rags, compressed air, or technique will do what SPIN-L-MATE® will do in 2-3 seconds!*
